Good afternoon Debbie-Jo,

Please see attached letter from EHP regarding further works required for approval of draft Environmental Authority for ML 70454.

Waratah Coal Pty Ltd will now commence further works as required by EHP and accordingly amend EM plan for ML 70454.

As a consequence of these further works and in keeping consistent with dates set by DEHP, Waratah requests an extension of time to progress ML 70454, to 16 May 2016.

Waratah will keep the department updated on a monthly basis on the progression of works required by DEHP and the approval of EM plan by DEHP and approval of draft Environmental Authority.

Kind regards,

Nui Harris
Managing Director

Hi Nui and Rebecca,

Please find attached a copy of the letter stating that the EMP for Waratah Coal does not meet content requirement under the requirements of s203 of the superseded Environmental Protection Act 1994.

Attachment 1 outlines where the EMP content does not meet requirement.

If you have any queries, please do not hesitate to contact me.
